**RESPONSE OF UNITED STATES POSTAL SERVICE
TO CHAIRMAN'S INFORMATION REQUEST NO. 1**

1. The Postal Service states “that the Commission’s request to provide ZIP Code level service performance data on the online dashboard would be unduly burdensome to the Postal Service.” Postal Service Comments at 4. In support of this proposition, the Postal Service provides, in Attachment 2 filed under seal, a variety of estimates that purport to represent the cost of increased sampling, software development, infrastructure, and labor. See *id.*; see also Postal Service Comments, Attachment 1 at 2-3. Please provide a detailed explanation of the calculations underlying these estimations, including all assumptions made therein.

RESPONSE:

Please see the Non-Public Response filed under seal.¹

¹ The Postal Service incorporates by reference the Application of the United States for Non-Public Treatment of Materials that it filed in this case. See Comments of the United States Postal Service and Notice of Filing of Materials Under Seal, Docket No. RM2022-7, October 31, 2022, at Attachment 1 (Application of the United States for Non-Public Treatment of Materials).
